

Insectes fleuris

- Diaporama (100 pages)
- J.-C. Martin
- www.jcmartin.ch
- 29 juillet 2010 (photos prises de 2005 à 2010)
- Musique de Telemann, Tafelmusik
- Musique de table, parce que tous les insectes sont tous à table...

Ceux qui sucent...

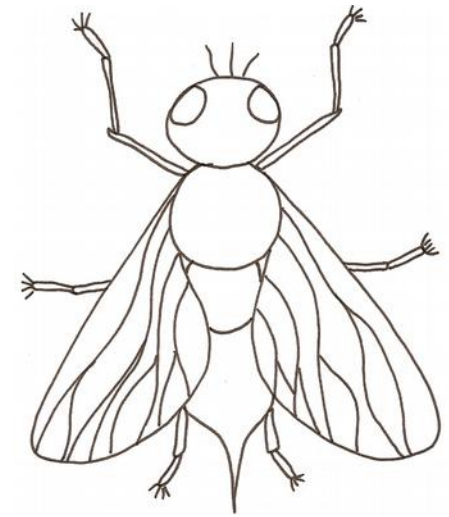

Les mouches incontournables

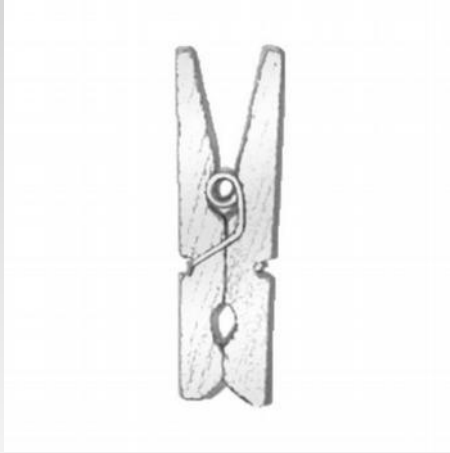

Ceux qui pincent et piquent

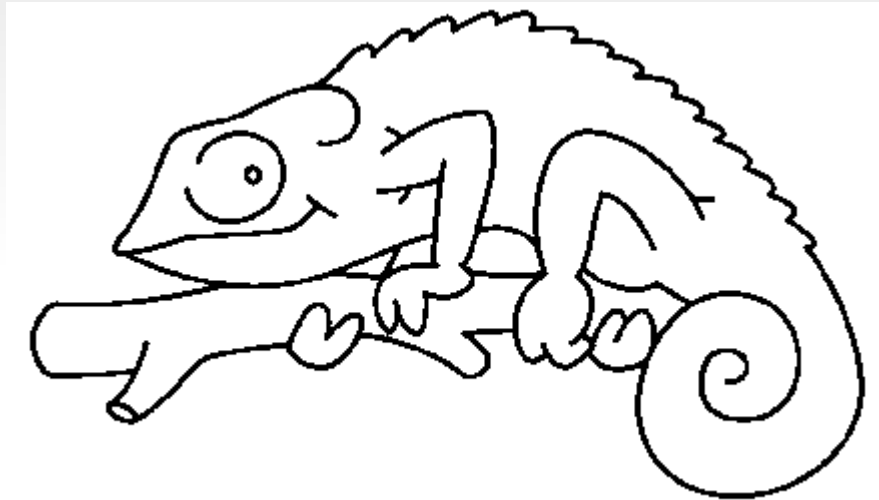

Les imitateurs

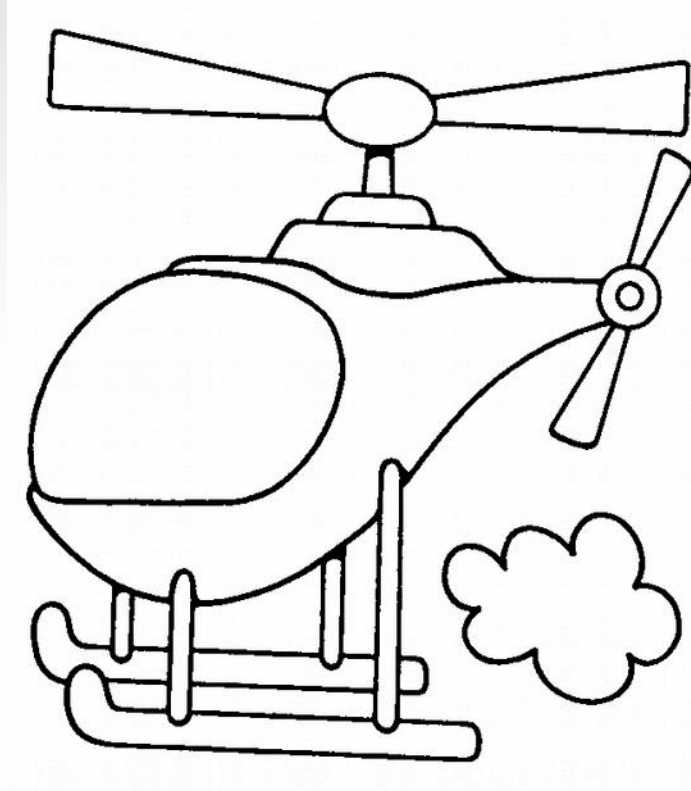

Ceux qui donnent le bourdon ?

Les sauteurs

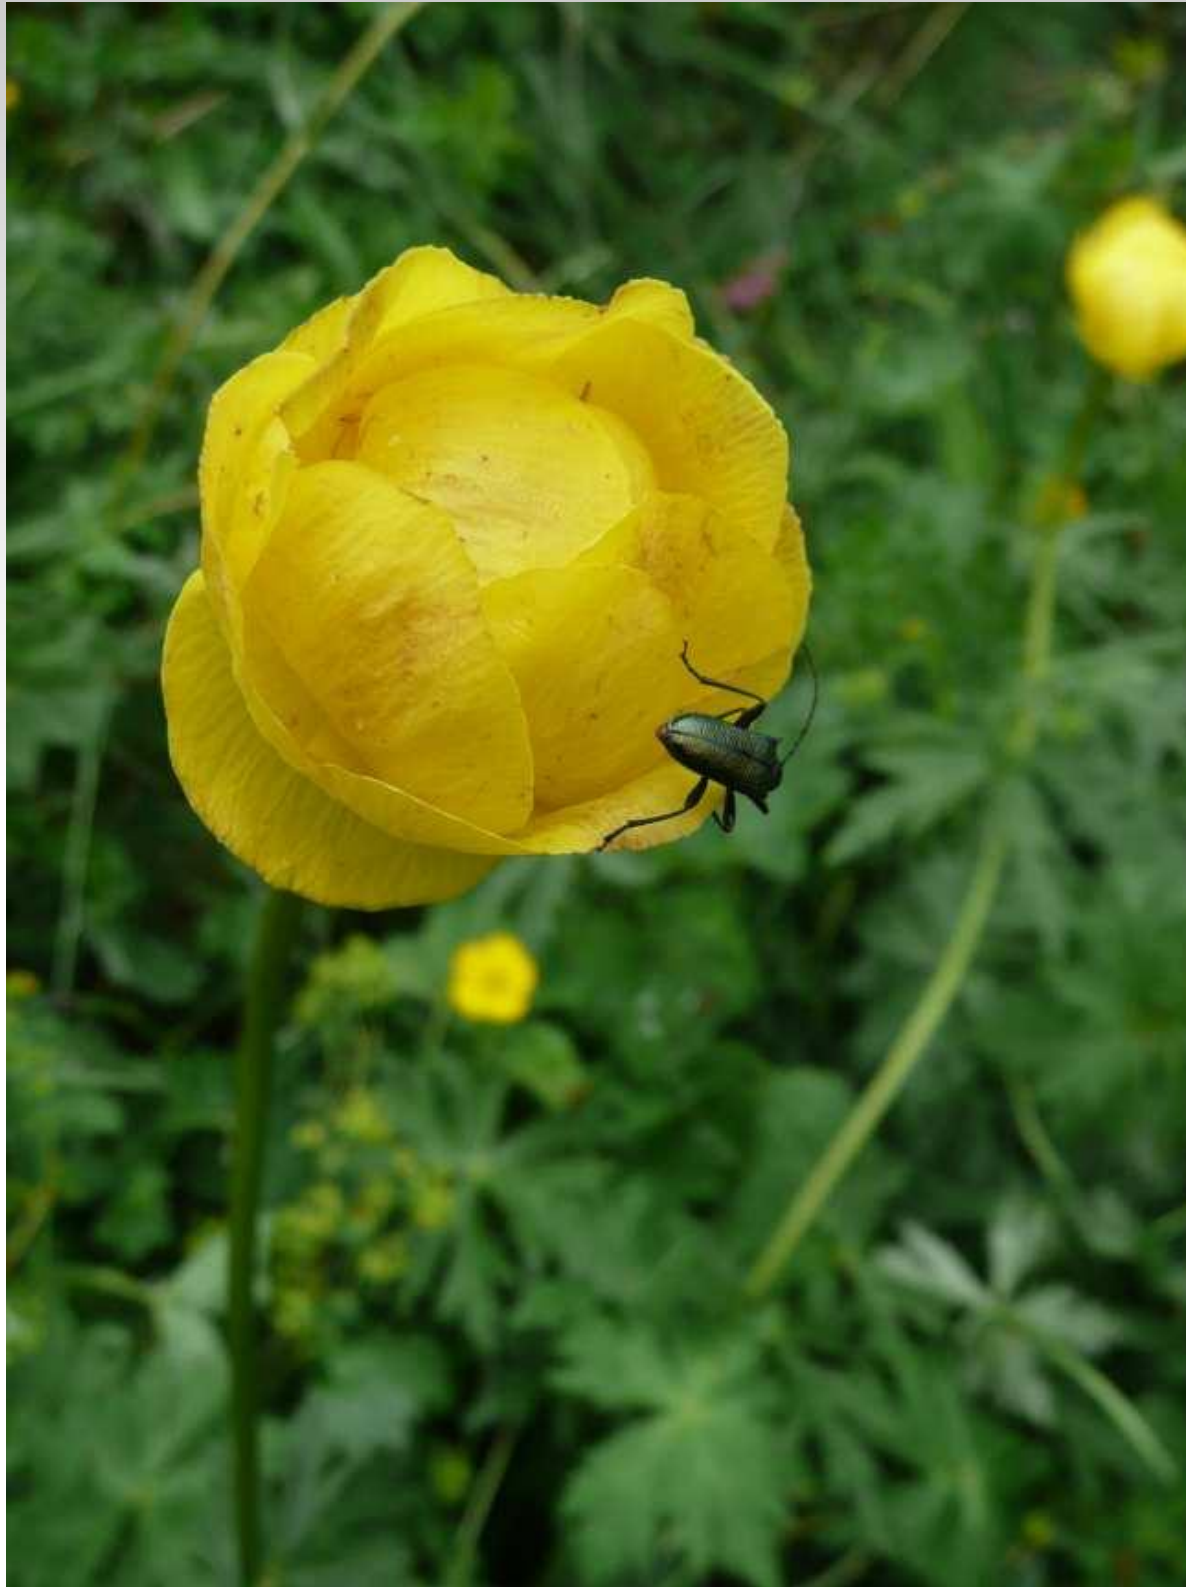

Elytres diverses

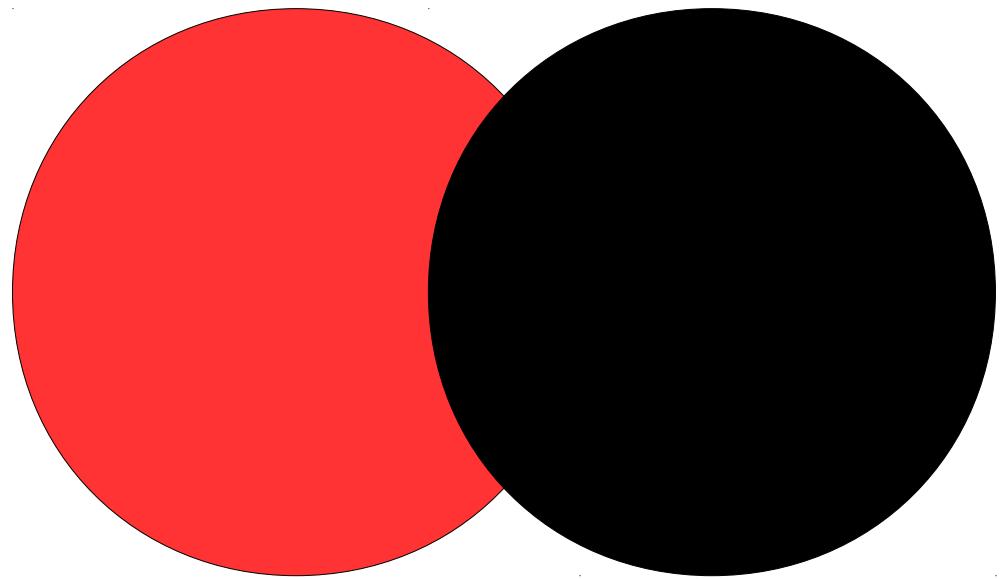

Le rouge et le noir

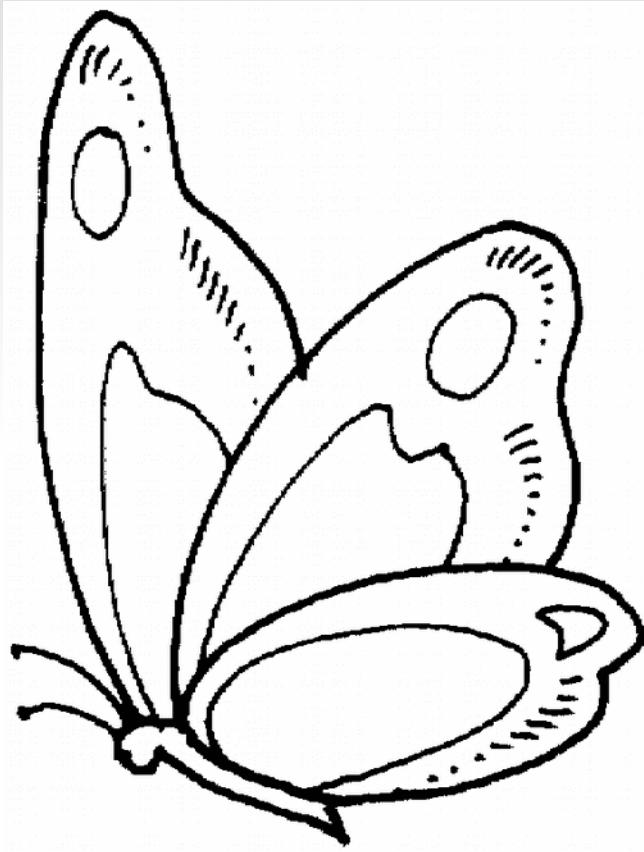

papillons

... et enfin ceux qui portent chance
